

Frequently Asked Questions about East Bay Dance Center Camp

What will my child be doing during the day? How does it work?

At the **beginning of each day**, we have a “campfire” where we all meet together as a group. On Mondays we do an orientation and go over safety rules and logistics. Other days we check in, play some group games and have some free play.

At **10 AM we begin our classes**. Campers are put in age groups (typically 5---6, 7---9, 10---up) and rotate through 4 different classes. The classes are usually two or three dance classes per day and one or two of either Art and Drama. Our youngest group has an optional quiet time after lunch. The dance classes include:

- Hip Hop
- Jazz
- Ballet
- Tap
- Occasionally a guest teacher with another dance form (African dance, Tumbling)

There are two classes in the AM, then Lunch and free time for one hour, and two more in the PM with a half---hour free time at the end of the day.

What is student to teacher ratio and supervision? Who is teaching?

Our teacher/student ratio is 1:7. Our **teachers** are **professional dance educators**: most of them are on our year---round staff. In addition, we have well-trained teenagers and young adults as counselors. Each class has one teacher and one counselor: **Classes** are typically about **10---15 campers**. In addition, there is **always an on---site director** or **assistant director** in case of an emergency. **All activities**, including lunch and free time, are **well supervised**. We have a **spotless safety record** and always have an eye to maintaining it. Our **Camp Director**, Miss Bonnie Sita, has a **degree in early childhood education and over 30 years teaching experience**. She personally supervises all aspects of camp and is very available to parents by phone or email.

How long have you been in business?

Over twenty five years.

Children **bring their own lunch** from home and eat outside in our pleasant, fenced, safe courtyard, or inside our building during colder months. Please make sure your student brings a water bottle and eats a healthy breakfast before coming to camp.

You can drop off and pick up your child anytime during these before and after care hours. **During** before and after **care, supervised play, snacks, free dance, movies**, etc. are enjoyed with careful and loving care.

What if my child has no dance experience? Or lots of dance experience?

Not a problem, our classes are so varied that **everyone finds something they're good at or experienced in** and something that is a challenge. Our campers are encouraged to try everything, do their best and HAVE FUN!

Are there performances?

Yes, our fifth and tenth week of summer camp is highlighted by an evening performance on the Friday of that week. Other weeks, we invite parents to drop in for an impromptu presentation, usually Friday afternoon.

Will my child have fun?

YES YES YES! Many campers return year after year. They have lots of fun, make new friends, learn new things and have a life---enriching and empowering experience.
